2019 CABERNET FRANC HERITAGE SERIES

.....

WINEMAKING

Cinwick Vineyard is on Naramata Road "below the road", giving the fruit great complexity due to its interesting lacustrine soils. A cold snap in February caused some bud-damage resulting in low yields after an average summer created fruit with great flavour ripeness and intensity.

TASTING NOTES

Classic cranberry and raspberry aromas highlighted by violet and black tea leaf. Flavours of cherry and blackberry. Graceful tannins lead to a generous finish.
